

The 2030 SDGs-UdL Initiative

The 2030 Sustainable Development Goals (SDGs) Agenda Initiative at the Universitat de Lleida (UdL). It is a platform that aims at presenting the various activities and resources of the relevant institutional internal entities and affiliated networks partaken in the pursuit of the SDGs Agenda. Moreover, the 2030 SDG-UdL initiative aims at creating synergies among the participating stakeholders in order to localize the implementation of the SDGs to our city and university.
